Foundation Funds \$35,000 for Teacher Grant Programs

In November, the Foundation awarded district staff \$35,000 to fund programs not covered by school budgets or tax dollars. Included was an unprecedented \$10,000 Dennis P. Quinn Super Grant awarded to Hoover School for its Robotics Collaboration.

Our congratulations to all grant recipients, who will be presented with award certificates at the January 5 school board meeting.

Please see complete list of recipients on page 2.

As we approach the end of the calendar year, it is appropriate to take a moment and reflect on reasons for celebration.

Most recently, we had the pleasure of awarding \$35,000 in teacher grants! Our congratulations to each staff member recipient, as well as our best wishes in the implementation of their selected programs, each of which enhances the learning opportunities for the students in District 54.

A special thank you to all who visited the holiday tree site at Mallard Crossing this year. The Foundation will be the recipient of a donation from John's Evergreens at year's end.

The **Student Memorial Grant Scholarship** applications will be available in **February** for those families who wish to apply for financial support for summer programs. Additional information will be available at <http://d54foundation.com>.

The Foundation's signature **Mardi Gras & Casino Night** will take place on February 17th at The Stonegate Conference Center in Hoffman Estates. We hope you will mark your calendar and join us for an enjoyably festive evening, proceeds from which support the Foundation grant initiatives.

Once again perennial favorite and Foundation partner, **Lou Malnati's**, is hosting a benefit day on Wednesday, February 8, 2012. Plan to dine-in or order out while supporting the Foundation, and let Lou's accommodate your lunch or dinner pleasures.

Finally, on behalf of our board of trustees, let me thank each of you who assisted us in our many endeavors this year. Through the generous sharing of your time, talent and financial resources, you allow us to focus more fully on our mission.

Best wishes for a most satisfying and fulfilled 2012!!

Sincerely,
Gary Caby
Chairman

And a reminder...

Applications for the Foundation Student Memorial Grants will be available in February on the Foundation website and in PTA newsletters.

This opportunity is available for **students in need** which would provide funds to pursue a summer program in an academic, cultural or athletic interest.
