Schaumburg Township Elementary School Foundation Memorial Scholarship Grant 2017

Dear Parents/Guardians,

The Foundation proudly offers memorial grants for students, which are funded, in part, through contributions received in honor of individuals who have passed away.

This grant will be offered to the children of School District 54 to cultivate an academic, cultural or athletic interest to enrich student educational opportunities.

This grant is intended for children from families facing extenuating financial circumstances.

Application procedures are as follows:

- Memorial scholarship grants will be limited to a maximum of \$150 per recipient. Additional costs/fees associated with the requested program will be considered separately on an individual basis.
- Students eligible for grants must currently be enrolled in District 54 in early childhood through seventh grade.
- Memorial scholarship grants will be awarded for programs/activities occurring in late spring or summer 2017.
- Any available documentation describing program of interest should be attached to application.
- Applications must be completed by the student in order to be considered and signed by parent or guardian.
- Applications must be submitted to your child's school by **Monday, May 1, 2017**.
- Grant applications will be reviewed by Thursday May 4, 2017.
- All applicants will be notified by May 12, 2017 through school staff.
- School staff will help families make arrangements for registration fees to be sent directly to the agency providing the program.
- Families do **not** need to pay any registration fees, provided that the program cost does not exceed the amount allotted for the child. The Foundation will issue a check to the program vendor upon receipt of your Proof of Enrollment Form and program registration form.
